

# Hyperbole

Definition: Stretching reality to make something more intriguing.

Sam was a boy faster than the speed of light. You may not believe me but it's true. I swear if you see him standing at one end of the soccer field and you blink your eyes he'll be standing at the opposite end, wearing his signature confidence-filled grin. People believe he once raced a cheetah from Encinitas all the way to Mexico and crossed the finish line four days before his menacing opponent! But the legend doesn't end there. He claimed he took his first baby steps on only his second day of life. Devastatingly, his dynamic dashing abilities drastically shook up his young life. All his fame grew so overwhelming, he mysteriously ran away never to be seen again. That's why you don't believe me and I'm forced to explain this whole story.
